14<sup>th</sup> September 2017

Dear Parents

We would like to take this opportunity to welcome you to Year Two - we look forward to working alongside you and your child during this academic year. Mrs Davis, teacher, and Mrs Wheatstone, Teaching Assistant, are responsible for the class on Mondays to Thursdays and Mrs Ivey is supported by Mrs McCormick on Fridays. Mrs Wheatstone is also a Higher Level Teaching Assistant and will be the class teacher on Wednesday afternoons; providing release time for Mrs Davis.

In Year 2 we encourage the children to become independent, to use their initiative and take responsibility for things including items of clothing, lunch boxes, water bottles, personal possessions and the handing in of homework or letters. Should you have any brief messages for the staff in class during drop-off times, please speak to any of the ladies mentioned above or relay your message to the office staff - who pass on any messages they receive most efficiently. Should you wish to meet with either teacher to talk for longer, this is much easier at the end of the school day when staff members bring the children out onto the playground.

Children in Year 2 are currently allowed to bring in their own pencil case. These should be small enough to fit in their tray at the end of the day so things don't become mislaid and items should be clearly named please.

## **Year 2 Routines and Expectations**

### **Early Mornings**

- The classroom is open from 8.40am and children will be registered at 8.50am.
- Children should enter the cloakroom/classroom by themselves please; goodbyes should be said outside the door or by the black gate. This allows us to start our day efficiently and quietly.
- Children should routinely use the time before registration to change their home/school reading book and they will do this on their own. *(If you find your child is not changing them when required please let a member of the Year 2 staff know, so that we can support them with this).*
- Children on reading steps 5 and above should only take home one reading book a night please.
- There will always be early morning tasks for the children to complete before registration and instructions for this will be on the flip chart board. All children in Year 2 are expected to read this, albeit some with support from others.

Headteacher: Mr Toby Bull

## Homework

### ➤ **Reading:**

Learning to read relies heavily on the partnership between home and school. In school, children will learn strategies for reading, but please do hear your child read at home as often as you possibly can (guidance suggests ten minutes each day) to help them practise. If you find your child is reading their books with ease then please let us know so that we can assess whether they are ready to move to the next reading step.

➤ Adults in school will hear children read individual reading books as often as we are able to. Children will also be heard to read through 'guided reading' - teaching and rehearsing reading skills within a small group.

### ➤ **Spellings:**

Mrs Ivey will be teaching spellings on a Friday. This term children will not be formally tested on their spellings and we will monitor the effectiveness of this throughout the term.

➤ **Mental maths:** As you will know, there are some fundamental mathematical concepts that the children must grasp. To aid their progress with this, mental maths homework is set each week and will be tested in class the following Thursday.

Your child will need your support in rehearsing the mental strategies as part of their homework, moving them towards the expectation required for the end of Key Stage 1.

Mental strategies will be explained on the homework sheet. However, should you have any queries, please do come and ask. This will come home with the children on Thursdays.

➤ **Main homework tasks:** Year 2 children are expected to spend roughly twenty minutes each week on a homework activity and activities will often require support from an adult at home. Homework is engineered to be relevant to the children's learning at the time and to follow up or move their learning on. The children will each be given a homework book. Tasks will come home on a Thursday. Your child should return their homework by the following Wednesday please by popping their book in the homework tray.

We hope that homework is generally an enjoyable, shared experience and it is difficult pitching a level of challenge to suit everyone. If you find that a particular task is too tricky/easy, please feel free to pop a note on your child's work with your comments.

# Bishop William Ward C of E (VA) Primary School

*Happy, respectful, lifelong learners*

Headteacher: Mr Toby Bull

## P.E.

- P.E this term is on Tuesdays and Thursdays but kit will be kept in school for the half term.
- Please ensure that your child has a complete P.E. kit (including outdoor footwear and warm jogging bottoms and jumper during the winter and spring) with each item individually and clearly named.
- PE footwear can include either trainers or plimsolls.
- For health and safety reasons please ensure that earrings are removed on P.E. days or that your child can remove them independently. Staff should not remove earrings for children and micro tape is no longer used to cover earrings.

## Topic Theme

Our topic for this term is The Great Fire of London. Further details of Year 2 learning can be found on the school website under Year Two Curriculum map.

**Trips and Experience Days:** I anticipate trips to Colchester Zoo (Spring term), a drumming workshop and a trip to Colchester Castle (Summer term). The total contributions for the year for these experiences are likely to come to around £35.

Thank you for your support.

## Homework

### ➤ **Reading:**

Learning to read relies heavily on the partnership between home and school. In school, children will learn strategies for reading, but please do hear your child read at home as often as you possibly can (guidance suggests ten minutes each day) to help them practise. If you find your child is reading their books with ease then please let us know so that we can assess whether they are ready to move to the next reading step.

➤ Adults in school will hear children read individual reading books as often as we are able to. Children will also be heard to read through 'guided reading' - teaching and rehearsing reading skills within a small group.

### ➤ **Spellings:**

Mrs Ivey will be teaching spellings on a Friday. This term children will not be formally tested on their spellings and we will monitor the effectiveness of this throughout the term.

➤ **Mental maths:** As you will know, there are some fundamental mathematical concepts that the children must grasp. To aid their progress with this, mental maths homework is set each week and will be tested in class the following Thursday.

Your child will need your support in rehearsing the mental strategies as part of their homework, moving them towards the expectation required for the end of Key Stage 1.

Mental strategies will be explained on the homework sheet. However, should you have any queries, please do come and ask. This will come home with the children on Thursdays.

➤ **Main homework tasks:** Year 2 children are expected to spend roughly twenty minutes each week on a homework activity and activities will often require support from an adult at home. Homework is engineered to be relevant to the children's learning at the time and to follow up or move their learning on. The children will each be given a homework book. Tasks will come home on a Thursday. Your child should return their homework by the following Wednesday please by popping their book in the homework tray.

We hope that homework is generally an enjoyable, shared experience and it is difficult pitching a level of challenge to suit everyone. If you find that a particular task is too tricky/easy, please feel free to pop a note on your child's work with your comments.

Headteacher: Mr Toby Bull

## P.E.

- P.E this term is on Tuesdays and Thursdays but kit will be kept in school for the half term.
- Please ensure that your child has a complete P.E. kit (including outdoor footwear and warm jogging bottoms and jumper during the winter and spring) with each item individually and clearly named.
- PE footwear can include either trainers or plimsolls.
- For health and safety reasons please ensure that earrings are removed on P.E. days or that your child can remove them independently. Staff should not remove earrings for children and micro tape is no longer used to cover earrings.

## Topic Theme

Our topic for this term is The Great Fire of London. Further details of Year 2 learning can be found on the school website under Year Two Curriculum map.

**Trips and Experience Days:** I anticipate trips to Colchester Zoo (Spring term), a drumming workshop and a trip to Colchester Castle (Summer term). The total contributions for the year for these experiences are likely to come to around £35.

Thank you for your support.

14<sup>th</sup> September 2017

Dear Parents

We would like to take this opportunity to welcome you to Year Two - we look forward to working alongside you and your child during this academic year. Mrs Davis, teacher, and Mrs Wheatstone, Teaching Assistant, are responsible for the class on Mondays to Thursdays and Mrs Ivey is supported by Mrs McCormick on Fridays. Mrs Wheatstone is also a Higher Level Teaching Assistant and will be the class teacher on Wednesday afternoons; providing release time for Mrs Davis.

In Year 2 we encourage the children to become independent, to use their initiative and take responsibility for things including items of clothing, lunch boxes, water bottles, personal possessions and the handing in of homework or letters. Should you have any brief messages for the staff in class during drop-off times, please speak to any of the ladies mentioned above or relay your message to the office staff - who pass on any messages they receive most efficiently. Should you wish to meet with either teacher to talk for longer, this is much easier at the end of the school day when staff members bring the children out onto the playground.

Children in Year 2 are currently allowed to bring in their own pencil case. These should be small enough to fit in their tray at the end of the day so things don't become mislaid and items should be clearly named please.

## **Year 2 Routines and Expectations**

### **Early Mornings**

- The classroom is open from 8.40am and children will be registered at 8.50am.
- Children should enter the cloakroom/classroom by themselves please; goodbyes should be said outside the door or by the black gate. This allows us to start our day efficiently and quietly.
- Children should routinely use the time before registration to change their home/school reading book and they will do this on their own. *(If you find your child is not changing them when required please let a member of the Year 2 staff know, so that we can support them with this).*
- Children on reading steps 5 and above should only take home one reading book a night please.
- There will always be early morning tasks for the children to complete before registration and instructions for this will be on the flip chart board. All children in Year 2 are expected to read this, albeit some with support from others.

### ➤ **Main homework tasks:** Year 2 children are expected to spend roughly twenty minutes each week on a homework activity and activities will often require support from an adult at home. Homework is engineered to be relevant to the children's learning at the time and to follow up or move their learning on. The children will each be given a homework book. Tasks will come home on a Thursday. Your child should return their homework by the following Wednesday please by popping their book in the homework tray.

We hope that homework is generally an enjoyable, shared experience and it is difficult pitching a level of challenge to suit everyone. If you find that a particular task is too tricky/easy, please feel free to pop a note on your child's work with your comments.

## P.E.

- P.E this term is on Tuesdays and Thursdays but kit will be kept in school for the half term.
- Please ensure that your child has a complete P.E. kit (including outdoor footwear and warm jogging bottoms and jumper during the winter and spring) with each item individually and clearly named.
- PE footwear can include either trainers or plimsolls.
- For health and safety reasons please ensure that earrings are removed on P.E. days or that your child can remove them independently. Staff should not remove earrings for children and micro tape is no longer used to cover earrings.

## Topic Theme

Our topic for this term is The Great Fire of London. Further details of Year 2 learning can be found on the school website under Year Two Curriculum map.

**Trips and Experience Days:** I anticipate trips to Colchester Zoo (Spring term), a drumming workshop and a trip to Colchester Castle (Summer term). The total contributions for the year for these experiences are likely to come to around £35.

Thank you for your support.

14<sup>th</sup> September 2017

Dear Parents

We would like to take this opportunity to welcome you to Year Two - we look forward to working alongside you and your child during this academic year. Mrs Davis, teacher, and Mrs Wheatstone, Teaching Assistant, are responsible for the class on Mondays to Thursdays and Mrs Ivey is supported by Mrs McCormick on Fridays. Mrs Wheatstone is also a Higher Level Teaching Assistant and will be the class teacher on Wednesday afternoons; providing release time for Mrs Davis.

In Year 2 we encourage the children to become independent, to use their initiative and take responsibility for things including items of clothing, lunch boxes, water bottles, personal possessions and the handing in of homework or letters. Should you have any brief messages for the staff in class during drop-off times, please speak to any of the ladies mentioned above or relay your message to the office staff - who pass on any messages they receive most efficiently. Should you wish to meet with either teacher to talk for longer, this is much easier at the end of the school day when staff members bring the children out onto the playground.

Children in Year 2 are currently allowed to bring in their own pencil case. These should be small enough to fit in their tray at the end of the day so things don't become mislaid and items should be clearly named please.

## **Year 2 Routines and Expectations**

### **Early Mornings**

- The classroom is open from 8.40am and children will be registered at 8.50am.
- Children should enter the cloakroom/classroom by themselves please; goodbyes should be said outside the door or by the black gate. This allows us to start our day efficiently and quietly.
- Children should routinely use the time before registration to change their home/school reading book and they will do this on their own. *(If you find your child is not changing them when required please let a member of the Year 2 staff know, so that we can support them with this).*
- Children on reading steps 5 and above should only take home one reading book a night please.
- There will always be early morning tasks for the children to complete before registration and instructions for this will be on the flip chart board. All children in Year 2 are expected to read this, albeit some with support from others.

Headteacher: Mr Toby Bull

## Homework

### ➤ **Reading:**

Learning to read relies heavily on the partnership between home and school. In school, children will learn strategies for reading, but please do hear your child read at home as often as you possibly can (guidance suggests ten minutes each day) to help them practise. If you find your child is reading their books with ease then please let us know so that we can assess whether they are ready to move to the next reading step.

➤ Adults in school will hear children read individual reading books as often as we are able to. Children will also be heard to read through 'guided reading' - teaching and rehearsing reading skills within a small group.

### ➤ **Spellings:**

Mrs Ivey will be teaching spellings on a Friday. This term children will not be formally tested on their spellings and we will monitor the effectiveness of this throughout the term.

➤ **Mental maths:** As you will know, there are some fundamental mathematical concepts that the children must grasp. To aid their progress with this, mental maths homework is set each week and will be tested in class the following Thursday.

Your child will need your support in rehearsing the mental strategies as part of their homework, moving them towards the expectation required for the end of Key Stage 1.

Mental strategies will be explained on the homework sheet. However, should you have any queries, please do come and ask. This will come home with the children on Thursdays.

➤ **Main homework tasks:** Year 2 children are expected to spend roughly twenty minutes each week on a homework activity and activities will often require support from an adult at home. Homework is engineered to be relevant to the children's learning at the time and to follow up or move their learning on. The children will each be given a homework book. Tasks will come home on a Thursday. Your child should return their homework by the following Wednesday please by popping their book in the homework tray.

We hope that homework is generally an enjoyable, shared experience and it is difficult pitching a level of challenge to suit everyone. If you find that a particular task is too tricky/easy, please feel free to pop a note on your child's work with your comments.

14<sup>th</sup> September 2017

Dear Parents

We would like to take this opportunity to welcome you to Year Two - we look forward to working alongside you and your child during this academic year. Mrs Davis, teacher, and Mrs Wheatstone, Teaching Assistant, are responsible for the class on Mondays to Thursdays and Mrs Ivey is supported by Mrs McCormick on Fridays. Mrs Wheatstone is also a Higher Level Teaching Assistant and will be the class teacher on Wednesday afternoons; providing release time for Mrs Davis.

In Year 2 we encourage the children to become independent, to use their initiative and take responsibility for things including items of clothing, lunch boxes, water bottles, personal possessions and the handing in of homework or letters. Should you have any brief messages for the staff in class during drop-off times, please speak to any of the ladies mentioned above or relay your message to the office staff - who pass on any messages they receive most efficiently. Should you wish to meet with either teacher to talk for longer, this is much easier at the end of the school day when staff members bring the children out onto the playground.

Children in Year 2 are currently allowed to bring in their own pencil case. These should be small enough to fit in their tray at the end of the day so things don't become mislaid and items should be clearly named please.

## **Year 2 Routines and Expectations**

### **Early Mornings**

- The classroom is open from 8.40am and children will be registered at 8.50am.
- Children should enter the cloakroom/classroom by themselves please; goodbyes should be said outside the door or by the black gate. This allows us to start our day efficiently and quietly.
- Children should routinely use the time before registration to change their home/school reading book and they will do this on their own. *(If you find your child is not changing them when required please let a member of the Year 2 staff know, so that we can support them with this).*
- Children on reading steps 5 and above should only take home one reading book a night please.
- There will always be early morning tasks for the children to complete before registration and instructions for this will be on the flip chart board. All children in Year 2 are expected to read this, albeit some with support from others.

Headteacher: Mr Toby Bull

## Homework

### ➤ **Reading:**

Learning to read relies heavily on the partnership between home and school. In school, children will learn strategies for reading, but please do hear your child read at home as often as you possibly can (guidance suggests ten minutes each day) to help them practise. If you find your child is reading their books with ease then please let us know so that we can assess whether they are ready to move to the next reading step.

### ➤ Adults in school will hear children read individual reading books as often as we are able to. Children will also be heard to read through 'guided reading' - teaching and rehearsing reading skills within a small group.

### ➤ **Spellings:**

Mrs Ivey will be teaching spellings on a Friday. This term children will not be formally tested on their spellings and we will monitor the effectiveness of this throughout the term.

### ➤ **Mental maths:** As you will know, there are some fundamental mathematical concepts that the children must grasp. To aid their progress with this, mental maths homework is set each week and will be tested in class the following Thursday.

Your child will need your support in rehearsing the mental strategies as part of their homework, moving them towards the expectation required for the end of Key Stage 1.

Mental strategies will be explained on the homework sheet. However, should you have any queries, please do come and ask. This will come home with the children on Thursdays.

### ➤ **Main homework tasks:** Year 2 children are expected to spend roughly twenty minutes each week on a homework activity and activities will often require support from an adult at home. Homework is engineered to be relevant to the children's learning at the time and to follow up or move their learning on. The children will each be given a homework book. Tasks will come home on a Thursday. Your child should return their homework by the following Wednesday please by popping their book in the homework tray.

We hope that homework is generally an enjoyable, shared experience and it is difficult pitching a level of challenge to suit everyone. If you find that a particular task is too tricky/easy, please feel free to pop a note on your child's work with your comments.

# Bishop William Ward C of E (VA) Primary School

*Happy, respectful, lifelong learners*

Headteacher: Mr Toby Bull

## P.E.

- P.E this term is on Tuesdays and Thursdays but kit will be kept in school for the half term.
- Please ensure that your child has a complete P.E. kit (including outdoor footwear and warm jogging bottoms and jumper during the winter and spring) with each item individually and clearly named.
- PE footwear can include either trainers or plimsolls.
- For health and safety reasons please ensure that earrings are removed on P.E. days or that your child can remove them independently. Staff should not remove earrings for children and micro tape is no longer used to cover earrings.

## Topic Theme

Our topic for this term is The Great Fire of London. Further details of Year 2 learning can be found on the school website under Year Two Curriculum map.

**Trips and Experience Days:** I anticipate trips to Colchester Zoo (Spring term), a drumming workshop and a trip to Colchester Castle (Summer term). The total contributions for the year for these experiences are likely to come to around £35.

Thank you for your support.

## Homework

### ➤ **Reading:**

Learning to read relies heavily on the partnership between home and school. In school, children will learn strategies for reading, but please do hear your child read at home as often as you possibly can (guidance suggests ten minutes each day) to help them practise. If you find your child is reading their books with ease then please let us know so that we can assess whether they are ready to move to the next reading step.

➤ Adults in school will hear children read individual reading books as often as we are able to. Children will also be heard to read through 'guided reading' - teaching and rehearsing reading skills within a small group.

### ➤ **Spellings:**

Mrs Ivey will be teaching spellings on a Friday. This term children will not be formally tested on their spellings and we will monitor the effectiveness of this throughout the term.

➤ **Mental maths:** As you will know, there are some fundamental mathematical concepts that the children must grasp. To aid their progress with this, mental maths homework is set each week and will be tested in class the following Thursday.

Your child will need your support in rehearsing the mental strategies as part of their homework, moving them towards the expectation required for the end of Key Stage 1.

Mental strategies will be explained on the homework sheet. However, should you have any queries, please do come and ask. This will come home with the children on Thursdays.

➤ **Main homework tasks:** Year 2 children are expected to spend roughly twenty minutes each week on a homework activity and activities will often require support from an adult at home. Homework is engineered to be relevant to the children's learning at the time and to follow up or move their learning on. The children will each be given a homework book. Tasks will come home on a Thursday. Your child should return their homework by the following Wednesday please by popping their book in the homework tray.

We hope that homework is generally an enjoyable, shared experience and it is difficult pitching a level of challenge to suit everyone. If you find that a particular task is too tricky/easy, please feel free to pop a note on your child's work with your comments.

Headteacher: Mr Toby Bull

## P.E.

- P.E this term is on Tuesdays and Thursdays but kit will be kept in school for the half term.
- Please ensure that your child has a complete P.E. kit (including outdoor footwear and warm jogging bottoms and jumper during the winter and spring) with each item individually and clearly named.
- PE footwear can include either trainers or plimsolls.
- For health and safety reasons please ensure that earrings are removed on P.E. days or that your child can remove them independently. Staff should not remove earrings for children and micro tape is no longer used to cover earrings.

## Topic Theme

Our topic for this term is The Great Fire of London. Further details of Year 2 learning can be found on the school website under Year Two Curriculum map.

**Trips and Experience Days:** I anticipate trips to Colchester Zoo (Spring term), a drumming workshop and a trip to Colchester Castle (Summer term). The total contributions for the year for these experiences are likely to come to around £35.

Thank you for your support.

14<sup>th</sup> September 2017

Dear Parents

We would like to take this opportunity to welcome you to Year Two - we look forward to working alongside you and your child during this academic year. Mrs Davis, teacher, and Mrs Wheatstone, Teaching Assistant, are responsible for the class on Mondays to Thursdays and Mrs Ivey is supported by Mrs McCormick on Fridays. Mrs Wheatstone is also a Higher Level Teaching Assistant and will be the class teacher on Wednesday afternoons; providing release time for Mrs Davis.

In Year 2 we encourage the children to become independent, to use their initiative and take responsibility for things including items of clothing, lunch boxes, water bottles, personal possessions and the handing in of homework or letters. Should you have any brief messages for the staff in class during drop-off times, please speak to any of the ladies mentioned above or relay your message to the office staff - who pass on any messages they receive most efficiently. Should you wish to meet with either teacher to talk for longer, this is much easier at the end of the school day when staff members bring the children out onto the playground.

Children in Year 2 are currently allowed to bring in their own pencil case. These should be small enough to fit in their tray at the end of the day so things don't become mislaid and items should be clearly named please.

## **Year 2 Routines and Expectations**

### **Early Mornings**

- The classroom is open from 8.40am and children will be registered at 8.50am.
- Children should enter the cloakroom/classroom by themselves please; goodbyes should be said outside the door or by the black gate. This allows us to start our day efficiently and quietly.
- Children should routinely use the time before registration to change their home/school reading book and they will do this on their own. *(If you find your child is not changing them when required please let a member of the Year 2 staff know, so that we can support them with this).*
- Children on reading steps 5 and above should only take home one reading book a night please.
- There will always be early morning tasks for the children to complete before registration and instructions for this will be on the flip chart board. All children in Year 2 are expected to read this, albeit some with support from others.

Your child will need your support in rehearsing the mental strategies as part of their homework, moving them towards the expectation required for the end of Key Stage 1.

Mental strategies will be explained on the homework sheet. However, should you have any queries, please do come and ask. This will come home with the children on Thursdays.

➤ **Main homework tasks:** Year 2 children are expected to spend roughly twenty minutes each week on a homework activity and activities will often require support from an adult at home. Homework is engineered to be relevant to the children's learning at the time and to follow up or move their learning on. The children will each be given a homework book. Tasks will come home on a Thursday. Your child should return their homework by the following Wednesday please by popping their book in the homework tray.

We hope that homework is generally an enjoyable, shared experience and it is difficult pitching a level of challenge to suit everyone. If you find that a particular task is too tricky/easy, please feel free to pop a note on your child's work with your comments.

Headteacher: Mr Toby Bull

## P.E.

- P.E this term is on Tuesdays and Thursdays but kit will be kept in school for the half term.
- Please ensure that your child has a complete P.E. kit (including outdoor footwear and warm jogging bottoms and jumper during the winter and spring) with each item individually and clearly named.
- PE footwear can include either trainers or plimsolls.
- For health and safety reasons please ensure that earrings are removed on P.E. days or that your child can remove them independently. Staff should not remove earrings for children and micro tape is no longer used to cover earrings.

## Topic Theme

Our topic for this term is The Great Fire of London. Further details of Year 2 learning can be found on the school website under Year Two Curriculum map.

**Trips and Experience Days:** I anticipate trips to Colchester Zoo (Spring term), a drumming workshop and a trip to Colchester Castle (Summer term). The total contributions for the year for these experiences are likely to come to around £35.

Thank you for your support.

*Mrs Davis and Mrs Ivey*

14<sup>th</sup> September 2017

Dear Parents

We would like to take this opportunity to welcome you to Year Two - we look forward to working alongside you and your child during this academic year. Mrs Davis, teacher, and Mrs Wheatstone, Teaching Assistant, are responsible for the class on Mondays to Thursdays and Mrs Ivey is supported by Mrs McCormick on Fridays. Mrs Wheatstone is also a Higher Level Teaching Assistant and will be the class teacher on Wednesday afternoons; providing release time for Mrs Davis.

In Year 2 we encourage the children to become independent, to use their initiative and take responsibility for things including items of clothing, lunch boxes, water bottles, personal possessions and the handing in of homework or letters. Should you have any brief messages for the staff in class during drop-off times, please speak to any of the ladies mentioned above or relay your message to the office staff - who pass on any messages they receive most efficiently. Should you wish to meet with either teacher to talk for longer, this is much easier at the end of the school day when staff members bring the children out onto the playground.

Children in Year 2 are currently allowed to bring in their own pencil case. These should be small enough to fit in their tray at the end of the day so things don't become mislaid and items should be clearly named please.

## **Year 2 Routines and Expectations**

### **Early Mornings**

- The classroom is open from 8.40am and children will be registered at 8.50am.
- Children should enter the cloakroom/classroom by themselves please; goodbyes should be said outside the door or by the black gate. This allows us to start our day efficiently and quietly.
- Children should routinely use the time before registration to change their home/school reading book and they will do this on their own. *(If you find your child is not changing them when required please let a member of the Year 2 staff know, so that we can support them with this).*
- Children on reading steps 5 and above should only take home one reading book a night please.
- There will always be early morning tasks for the children to complete before registration and instructions for this will be on the flip chart board. All children in Year 2 are expected to read this, albeit some with support from others.

## Homework

### ➤ **Reading:**

Learning to read relies heavily on the partnership between home and school. In school, children will learn strategies for reading, but please do hear your child read at home as often as you possibly can (guidance suggests ten minutes each day) to help them practise. If you find your child is reading their books with ease then please let us know so that we can assess whether they are ready to move to the next reading step.

➤ Adults in school will hear children read individual reading books as often as we are able to. Children will also be heard to read through 'guided reading' - teaching and rehearsing reading skills within a small group.

### ➤ **Spellings:**

Mrs Ivey will be teaching spellings on a Friday. This term children will not be formally tested on their spellings and we will monitor the effectiveness of this throughout the term.

➤ **Mental maths:** As you will know, there are some fundamental mathematical concepts that the children must grasp. To aid their progress with this, mental maths homework is set each week and will be tested in class the following Thursday.

Your child will need your support in rehearsing the mental strategies as part of their homework, moving them towards the expectation required for the end of Key Stage 1.

Mental strategies will be explained on the homework sheet. However, should you have any queries, please do come and ask. This will come home with the children on Thursdays.
