Year 4 Viking Experience Day

Dear Parent / Carer,

As part of our topic this term, the children will be taking part in a Viking experience day on **Monday 6th November**. The day will be run by a company called Portals to the Past, with a workshop leader who has previously taken part in the BBC's Horrible Histories, as well as many historical documentaries and feature films.

Children will be expected to arrive in school at the normal time and the day will finish as usual at 3.10pm. We would like the children to come to school dressed as Vikings to help fully immerse themselves in the experience. Please refer to the email sent out today for ideas.

We are very excited to offer this opportunity and know that the children will find it a valuable and enjoyable learning experience. To cover the costs of the day, we are asking for a contribution of £5. Should you have any difficulties in contributing to the full amount then please come into school so that this can be discussed.

Please complete and return the slip the school office, with your contribution by **Wednesday 18th October**. Thank you for your continued support,

Susan Sanderson
