Happy, respectful, lifelong learners

Headteacher: Mr Toby Bull

19th February 2018

Dear Parents,

As part of our Space topic we will be designing and making our own planets. We will be creating our planets using textiles - learning how to tie-dye and how to use a running stitch. As you can imagine sewing is an activity that requires a lot of adult support. Therefore, we need volunteers to come in and work with the children. This could be a parent, a grandparent, aunt, uncle or sibling!

Sewing will take place in two group sessions, the first being on **Tuesday 13th March at 1:30 – 2:30**. The following children will be sewing at this time; Alfie, Eli, Arty, Max, Alice, Maisie, Maya, Matthew, Jacob, Aiden, Evie, Chloe, Elodie and Sharanya.

The other session will be on **Wednesday 14th March at 1:30-2:30** with the following children sewing: James, Keith, Giovanni, Archie, Lydia, Emily H-J, Amy, Harry, Charlie, Mason, Oliver, Dennis, Brooke, Emily G, Bethany and Elijah.

If you are able to come in and support our sewing please let us know and state which afternoon you are able to help below.

Many thanks for your continued support,

Mrs Tracey

Year 1 Sewing
