Dear Parents/Carers

Welcome back! I hope that you had a lovely time over the holidays, enjoying some precious family time. I am sure you have noticed the hard work put in by the workmen over the summer to make sure we have a new fence, ensuring a more secure perimeter for the school. Mr Grogan has also been busy, improving the cloakroom situation and freshening up the girls' toilets. He also worked alongside Mr Tidbury and Mrs Holliday to create a fantastic new library space. These improvements have been made in response to School Council requests and comments from parent surveys.

Welcome to our new **Foundation Stage** class – looks like this week gets a big ‘thumbs up’! We have certainly been impressed with their confidence and enthusiasm!

PARKING

As the weather starts to cool, we often find more people travelling in to school using the car. Please remember to park considerately and obey the rules of the highway code. We want to keep our children safe and the neighbours happy. Thank you!

STORYTIME SERVICE

We sent an email today with a flyer for the Storytime service being held at the Village Hall at **6pm this Sunday**. This is a regular event and sounds like a lovely way to finish off the weekend. The service is aimed at children 0-7.

YEAR 5 & 6 PARENTS

We are holding an information meeting about the Kingswood residential trip for parents with children in Year 5 or 6. Our Year 6 pupils will soon be off, so this is a chance to ask any last minute questions. For our Year 5 parents, it is an opportunity to find out about the trip in preparation for next year.

It has been a great start to the term, with the children looking smart and showing us that they still remember our rules and values and are ready for the challenges of the new year.

LETTERS

Look out for some important letters coming out soon. The teachers will be writing a welcome letter that gives details regarding class issues, such as homework, PE days, members of staff working in the class etc. Also, we will be asking you to sign a form giving permissions for things such as your child’s photograph being published, watching PG films and walking around the local area. We are asking parents to sign this form annually from now on, to make sure our information is up to date.
