Dear Parents/Carers

It was a privilege as ever to go and visit our Year 6 children whilst they have been on their residential trip this week. Whether it is a fear of heights, staying away from home, eating new foods or getting muddy, they have challenged themselves and had a lot of fun in the process. Here are some pictures showing what they've been up to:

HARVEST

Our Harvest Festivals will take place on **9th October**. You are invited to join us for these events, but we would request that no more than two people per family attend to ensure we don't overload the hall. As in previous years, we will be collecting items to send to the **Colchester Foodbank**. The items that are needed are: squash, longlife juice and milk, tinned potatoes, tinned puddings, coffee, jam, tins or packets of custard, deodorants, shampoo, shaving gel and washing up liquid.

Children in the Gold Book this week:

Foundation: Elsa

Year 1: Alex

Year 2: Oliver

Year 3: Freddie

Year 4: Jude

Year 5: Harry

VACANCIES

We are looking for candidates to join us as **Relief Midday Assistants** – people we can call on to cover sickness or training for our MDA team. Please speak to Mrs. Chester in the office or me if you are interested.

At the start of the week, members of the local church and school staff organised a prayer space event, focused on issues relating to the environment. Children in Key Stage 2 took part in the event:

It made me forget about all my troubles and worries

It made me feel peaceful because of the godly atmosphere

I could actually write down what I was thinking inside me

Remember to give the hair a special brush and face an extra scrub on Tuesday for the **school photographs!** An email went out earlier this week with details for those of you wanting a group shot.
