Dear Parents/Carers

We have had a terrific week being scientists! Thank you to Mrs Whitney and Mrs Richards for organizing such a fun and engaging week. The children have planned and carried out experiments in class and we have had visitors from Essex University leading science workshops and teaching the children about sustainability and the environment. On Wednesday, Dr Dude from Mad Science came in to talk to the children about physical and chemical changes. You should have received a leaflet giving details of an after-school club that starts next week. Please sign up online if you wish to attend.

science week

Calendar Corner

November

Children in the Gold Book this week:

Foundation: Jack

Year 1: Penny

Year 2: Jacob

Year 3: Elsie-Jai

Year 4: Izzy

Year 5: Ollie

Year 6: Mae

YEAR 5/6 FOOTBALL AT LUNCH

During lunch break, our Year 5 and 6 children are on a rota to use the football pitch. As the weather deteriorates, the pitch gets muddy. If your child would like to play football at lunchtime on the pitch, please send them in with a change of clothes and shoes. Children will not be allowed to play unless they have clothes to change into (not PE kit).

CHOIR

The school choir took part in the Rotary Junior Choir Competition last night. They put in a fabulous performance and were a credit to the school. They looked super-smart in the new uniform and demonstrated respectful and polite behaviour in addition to their wonderful singing. Thank you to the friends and family who came out to support the children. We will be told via email if the choir have got through to the final. I shall keep you posted.

The Force was certainly with **Fencing Club** this week! Always a pleasure to arrive at work to hear the theme from Star Wars playing loud!

Mr Bull
