Monday, 9th September 2019

Dear Parents/ Carers,

Further to my letter at the end of last year, this is to remind you that our 'Stone Age to the Iron Age' workshop will be on Thursday, 19th September 2019.

This day will give the children opportunities to investigate how we have developed from being hunter gathers, to early farming communities and the use of ancient technology. The children will be able to explore artefacts and displays as well as taking part in a variety of activities throughout the day. We ask that children are in costume to help them immerse themselves in this fascinating period of history. I have attached a sheet of ideas, but any dull coloured clothing will work – brown, beige, black, grey etc.

The school is subsidising the event but to help cover the costs for the workshop we are asking for a voluntary contribution of £5 per child. Please complete the slip below and return this, along with your monetary contribution, to the school office by Monday, 16th September 2019.

Kind Regards

Shelley Whitney
