Dear Parents/Carers

As part of your home learning resources this week, you will have received a timetable and activity sheets for the next four Thursday and Friday afternoons. Parents, staff and children all seemed to enjoy the opportunity to focus on the same topic during Environment Week, so we have put together a series of mini-topics for you to end each week. I look forward to seeing the results being posted on Class Dojo!

I appreciate that receiving the work through the email system is not always easy. However, it is the only way we can reach all of you, as we know that everyone has an email address. I would encourage you to look at the sheets first, as many will not need to be printed out. From the phone calls home and when I look at Class Dojo, I can see that there is some fabulous learning going on at home. Only a few weeks to go now, so keep it up!

Here are some more examples of what has been going on at Bishop William Ward this week:
