Dear Parents/Carers

You should have received an email today outlining plans to have a day in school for children in Years 2,3,4 and 5. As it says in the email, these plans are not yet confirmed so may not go ahead. In order to make sure we have enough staff and space available, please respond to say if you would be likely to send your child in on one of these days at the end of term. **If you do not respond by Wednesday 1st July, we will assume you are not sending your child back and will not reserve a place for your child.** We hope to see as many of you as possible.

The news and social media have been busy with many opinions and thoughts about schools regarding the end of this term, the summer holidays and what will happen in September. It is clear that the government expect all children to be back in school from September, which is great news. There also appears to be funding for some extra tuition that schools can use to help close gaps in children's learning. As soon as these encouraging headlines are backed up with specific details, I will let you know the plan for our school.

I hope that you have enjoyed the warm weather this week and that your children have been busy learning and having fun. The themed sessions went well in school, with children across the age ranges exploring patterns in a variety of curriculum areas. We have also managed to share assembly times across some of the groups in school, using the whiteboards so that different groups can see each other. As the groups never mix, this is the only opportunity for the children to see different faces.

Some pictures from the week:

Cartoon Art – Amelia S and Isabelle C

Curtain design – Jude L

Joint assembly

Soap sculpture

Mindfulness

Circle time games

Classes for next year:
Foundation: Mrs Smith
Y1: Mr Tidbury
Y2: Mrs Tracey/Mrs Richards
Y3: Mrs Godwin/Mrs Ivey
Y4: Mrs Sanderson/Mrs Hale
Y5: Miss East/Mrs Jessop
Y6: Mrs Holliday

I look forward to seeing some of you tomorrow morning at the Rainbow Relay! You should have received an email earlier in the week showing the route that the children will take. If your child is not involved in the relay, please look out for the others and cheer them on! If you are able to donate any money in support of this event, that would be great – the Friends of BWW have not been able to raise as much this term due to events being cancelled. Go to: www.justgiving.com/fundraising/rainbowrelay. Thank you! Mr Bull
