

# Bishop William Ward C of E Primary School Newsletter

10<sup>th</sup> July 2020

*Happy, respectful, lifelong learners*

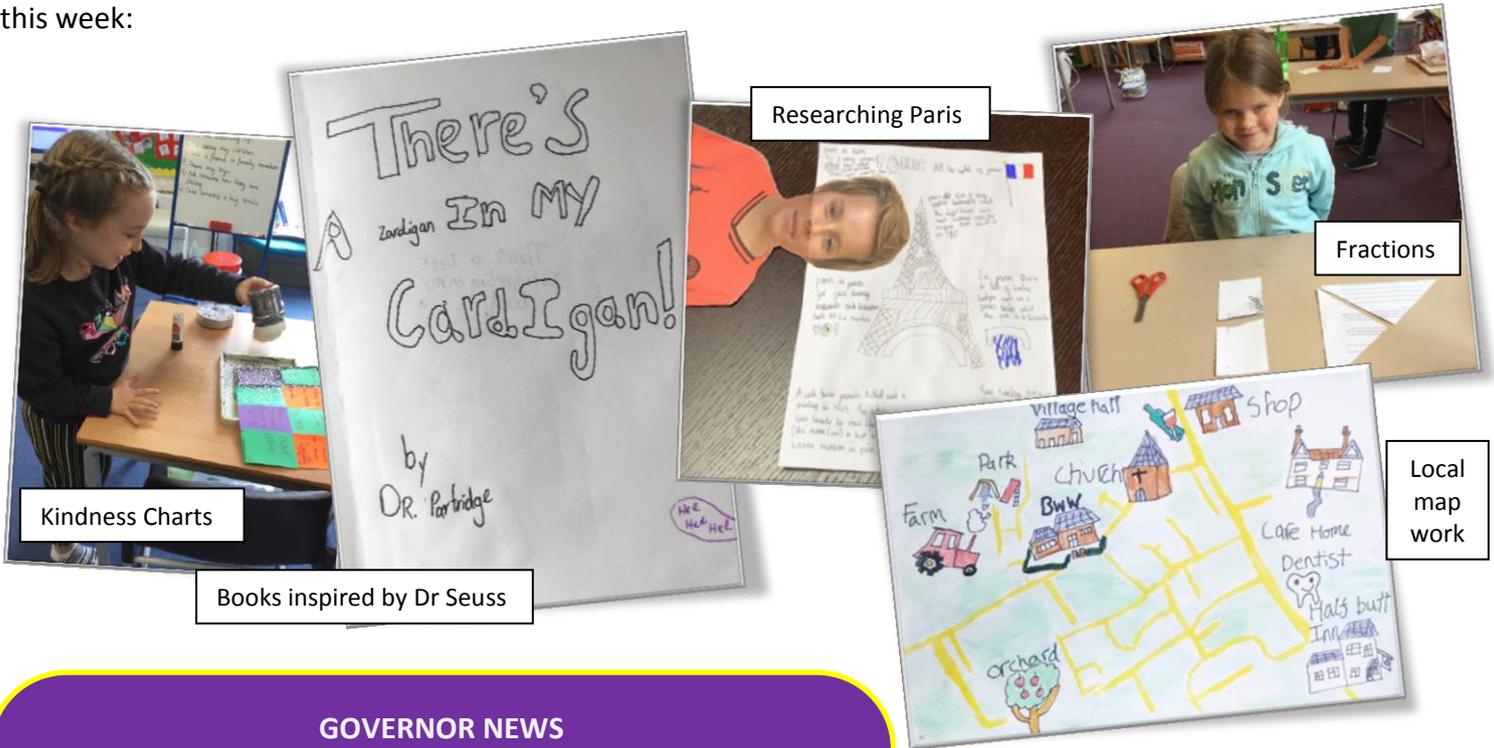

'I have come so that they may have life, and have it in all its fullness' John 10:10

Dear Parents/Carers

Our Risk Assessment for September will be ready by the end of next week, so I will share the main points with you in next week's newsletter. One question that I know some of you have asked is whether the children will be wearing school uniform. I can confirm that **from September, children will be back in their school uniforms**, We will be recommending that you wash clothes regularly, but there will not be the requirement for fresh clothes every day. Parents will also need to be prepared for staggered entry times, restrictions on what children can bring into school and the request that you leave the site and surrounding area as soon as possible. More details next week.

We look forward to welcoming children from across the school towards the end of term – if you have a child in Y2-5, you should by now have received an email giving more details on this. It will also be a joy to meet some of our new starters for Foundation 2020 when they come in to meet Mrs Smith and the team.

Wednesday will be the last day for our Foundation and Y1 pupils and I would like to say a huge thank you to them for adapting so well to the new expectations in school. They have worked hard, had fun and kept each other safe by keeping to the rules. Here's what they, and some others at school and at home, have been up to this week:

Kindness Charts

Books inspired by Dr Seuss

Researching Paris

Fractions

Local map work

## GOVERNOR NEWS

Alongside this newsletter, you should have received the Governor Newsletter. In it you will see that the leadership of the governing body has changed. I would like to give my heartfelt thanks to Dave Kinzett and Colin Embleton, our outgoing Chair and Vice Chair. They have been supportive and challenging in their approach and we are grateful that they will remain on the governing body. I would also like to welcome Mark Larwood, as the new Chair, and Steve Partridge, as Vice Chair, to their new roles.

## SCHOOL DINNERS

After many years of dinners staying at the same price, we now need to increase this to reflect rising food costs. From September, if you pay for school dinners, they will cost **£2.20** per meal.

# BWW's GOT TALENT

Thank you to everybody who entered – we really enjoyed watching all of your videos – what a talented bunch you all are! Here are the winners from the classes who entered:

YEAR 1: Alice

YEAR 2: Poppy

YEAR 3: Alice

YEAR 4: Milly and Evie

YEAR 5: Ava

The winners will be presented with their prizes when they come in for their class days at the end of term.

Mr Bull
