

Bishop William Ward C of E (VA) Primary School

Happy, respectful, lifelong learners

Headteacher: Mr Toby Bull

10th September 2020

Dear Parents,

May we first say thank you for your patience and support during the transition into school this year. We have had to manage more guidelines than we are used to! The emotional health and wellbeing of your children has been at the forefront of our minds when making plans for your children's start to school life. We have been really pleased with the way the class has started school.

There are a few items that we need to share now that we are moving to having the children in full-time.

We would kindly request all items of clothing are named (please keep checking these are still clearly labelled as the weeks progress).

The children will need to keep a pair of welly boots in school, as we go outside in all weathers. Please put these on the welly holder near the door to the classroom as soon as you can.

Lunchtime is always an important part of the day for this age group and eating is always even slower in a whole class environment. Please be mindful of how much lunch is put into lunch boxes as the children only have 25 minutes to finish their lunch. Also, if you are providing lunches, please put a separate drink in the lunch box. The water bottles are just for class use. If you are returning a lunch form, please get it out of the book bag that morning and hand to either Mrs Phillips or Mrs Embleton.

Tapestry is up and running. Please post activities that you do at home, as the children really enjoy sharing home and school experiences. If there are any problems with access to Tapestry please write the details down including the email address that is not working and hand to one of us - I will endeavour to sort out the problem.

Thank you once again for your continued support. We are getting there slowly but surely.

Kind regards

Foundation Stage Team
