Dear Parents/Carers

To mark Anti-bullying week, the children have been engaging in a range of activities and assemblies across the school. The theme is standing **united against bullying**, so children have looked at ways that they can be vigilant if they see someone having a hard time. Using the image of a jigsaw, they all wrote down what they can do to play their part in ensuring that we remain a school where bullying is very rare. We have also had a focus on acts of kindness and have been thinking of ways that we can spread kindness at school and at home. We listened to Harry Styles's song '**Treat People with Kindness**'

and thought about what Jesus meant when he gave the commandment to '**love each other, as I have loved you**'. We are developing a Kindness display in one of the school corridors that all the children will contribute something towards.

READING CHALLENGE

We have passed halfway in our 100,000 minutes of reading challenge! Keep up the great work everyone and don't forget to fill in a square every time you read for 10 minutes. There are always plenty of spare strips in the classrooms.

Covid 19 Risk Assessment Update

At the end of the day, please make sure you keep your children close to you, whilst you are waiting to pick up siblings. Also, make sure that you leave the site as soon as you have collected your children, rather than waiting for another family to collect. Finally, please remember the current national rules that only two individuals should meet outside – this includes on the school run. Let us all hope that these rules can be relaxed soon so that we can get back to a more social start and end to the day!

Well done to everybody who entered the Butterfly design competition. Martin Goss, the local councillor for the environment, waste and transport, judged the competition and picked **Lydia's** design as the one that will be made into a sign to go on the village green! Well done to these other entrants, who were the runners up:

I am sure that soon some children will want to send members of their class a Christmas card. We will need to do this a bit differently this year, so if your child would like to bring in cards, they need to bring them in to be put into a class quarantine box. After a week, we will distribute the cards to go home. We will not be having a communal post box this year.

FRIENDS OF BWW NON-UNIFORM DAY

On Friday 27th November we will have a non-uniform day and children will be asked to bring in an item that can go towards tombola prizes for an online Christmas Fair (details in a separate email). No rule breaking this time – just non-uniform!
