Dear Parents/Carers

What a first week back! Between the amazing staff and our wonderful parents, we have achieved great things this week, so well done. Remote learning has been in place for everyone from the start of term and your engagement has been fantastic. I know how challenging it can be to organise home learning as well as looking after younger children or trying to get your own work done. You have all made a great start this week. Well done. Here are a few images of what is going on out there!

WHOLE SCHOOL ACTIVITY AFTERNOON

From next week, we will be having a special afternoon every Wednesday where the whole school will take part in one activity. I will post the activity in each class and children submit their responses in the same way that they usually do, although it will be Mr Rutland that responds to the posts. It will be the sort of activity where children in the same family can work together.

Thank you to those of you who have let us know about the water flow coming through the school gates. We have looked into it and it looks like a blocked drain – Mr Grogan is onto it!

Thank you once again for all of your kind words, cards and gifts given in the lead-up to Christmas – you are very kind people. This week has once again demonstrated what an amazing school community we have. I wish you all a happy and healthy new year.

Mr Bull
